

## **Newsletter 1 - Friday 8th September 2023**

Dear Parents,

It has been wonderful welcoming the children back to school this week although I don't ever remember a hotter start to the school year! I have been particularly impressed with the positive attitude and resilience the children have shown throughout the week but I am sure they will all be ready for a rest this weekend.

Our new year 3 children have settled in to life at New Haw extremely well and have already shown their growing independence by coming into school on their own and confidently finding their way around.

It has been lovely to see so many parents at our online sessions this week. If you weren't able to make the meeting, you can find a recording on the school website [www.new-haw.surrey.sch.uk](http://www.new-haw.surrey.sch.uk) / Curriculum / Year Group Overviews / \*select relevant year group for your child on left hand pane\*

We have started the new academic year with a whole school focus on having a positive attitude and not giving up when we find things difficult. We know that developing these skills will benefit our children throughout their lives and we will be revisiting this theme throughout the year.

I hope you all enjoy a lovely weekend out in the sunshine!
