## E-Safety Evening - Thursday 6th June 2024

Keeping our children safe using the internet both at home and at school is a priority for parents and educators alike. One major difficulty is keeping abreast of the rapid developments in technology and the consequent new threats posed to our children. We are therefore delighted to welcome Sharon Girling OBE to lead our E-Safety Day on Thursday 6th June.

Parents are invited to attend an evening session online. More details to follow next half term

**SORA - E-library including ebooks!**

At New Haw Community School, we have signed up to an exciting venture with Hampshire Library Service which has expanded our library services we can offer to our children. In addition to a wider variety of the latest fiction, Dewey organised non-fiction and Meet The Author events, we are now able to offer access to a wide e-book library.

Pupil's will be able to access an e-Library system to browse, borrow and reserve eBook / Audiobook titles from the digital collection.

All children have been given a log-in which they can use to find a book they would like to enjoy. Books can be downloaded onto tablets or e-readers and there are even audiobooks for everyone to share!

As part of this exciting subscription, we are also delighted to include access to The Day Explorer which is a child-friendly online newspaper. This includes fascinating articles about a variety of topics, with key vocabulary explained helpfully in a way most children will be able to understand.

### **New Walking Instructors needed**

Surrey County Council are hiring new Walking Instructors to join their Safer Travel team to help train Year 3 primary aged pupils across Surrey.

What is the Feet First: Walking Training Programme?

**Feet First** is a road safety and active travel skills awareness course that is aimed at Year 3 pupils (aged 7-8 years old). It will provide pupils with road safety awareness skills, providing them with a key life skill that prepares them for travelling independently in the future.

What is a Walking Instructor?

We would like to hear from people who want to make a difference for primary school-age pupils, by encouraging them to feel more confident walking to school by equipping them with the necessary road safety knowledge and awareness skills. You will be directly leading the on-road training sessions with small groups of trainees, so you will feel confident engaging children of 7-8 years old both in the classroom and during the on-road training elements of the course. You will also be confident working on your own, managing your own workload and timings, as although you may be attending schools with other Instructors, you will be expected to lead your own groups.

Full training provided.

So, if you are looking for a rewarding new role that is term time only and flexible around school drop-off and pick-up times, please apply using the following link: <https://www.surreycc.gov.uk/jobs/search/details?id=563>

### **Attendance matters!**

We know that a child's attendance has a direct impact on their learning. Those children who are regularly absent from school and regularly late do not achieve their potential and do fall behind in class. As well as this, going to school helps to develop friendships and social skills.

Parents who take their children out of school without authority for 5 or more days (which do not have to be consecutive), will be liable to receive a penalty notice. Currently, the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days (This is due to increase to £80 from September). Thereafter the amount increases to £120.00 (£160 from September) if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.
