Dear Parents and Carers,

Given the ongoing risk of adverse weather, we would like to draw your attention to our [Snow Policy](#) which outlines the measures we will take in the event of snow causing disruption to the normal operation of the school.

Please note that, in the event of any changes to our normal school day, parents will be notified by Arbor in app message and email as soon as possible and a notice will be published on the school's website. Please make the school website your first point of information, as in cases of severe weather, this can affect how long it takes for messages to be delivered.

Kind regards

Mrs Marie Cahill
Executive Headteacher
