### **Thank You for Your Support**

We would like to extend our sincere thanks to all parents and carers for their support, understanding and flexibility during this unprecedented spell of hot weather. We hope that by remaining fully open and continuing to run our after-school clubs, we have been able to provide valuable support to the community as well as offer a more flexible approach to attendance for those who have opted to keep their children at home.

A special thank you must also go to our wonderful staff team, who have worked tirelessly to keep the school environment as cool and comfortable as possible, while ensuring that children remained safe, happy and engaged despite the challenging conditions.

With temperatures expected to ease next week, we are looking forward to returning to a full programme of sporting activities, expertly led by Miss Cooper, our PE curriculum leader. We know the children are excited to get back outside and make the most of these opportunities.

<b>Day</b>	<b>Activity</b>

## ***School Fun***

### **Golden Ticket Milkshake Madness!**

Last week, we saw some of the final Golden Ticket prizes being enjoyed, and one of the most popular prizes definitely lived up to expectations!

Tommy in Year 6 was the lucky winner of a special milkshake-making experience and chose three friends to join him. The group had a fantastic time creating their own delicious milkshakes before adding the finishing touches with whipped cream, colourful sprinkles and cherries on top.

There were smiles all round as they proudly admired their creations before tucking in. The only mystery left unsolved is how they managed to finish every last drop after such a big lunch!

A huge congratulations to Tommy and his friends for making the most of their Golden Ticket prize. What a sweet way to celebrate!

## ***Curriculum Highlights***

🌱☀️ Year 3's Wonderful Wisley Adventure! ☀️🌱

Last Tuesday, our Year 3 children enjoyed a fantastic sunny day at Wisley as part of their Science topic learning about plants. The children became young botanists for the day, discovering all sorts of fascinating facts about how plants grow and thrive.

They got hands-on by planting their own seeds, which they are excited to watch grow over the coming weeks. Creativity also blossomed as the children made beautiful clay sculptures inspired by the natural world around them.

With sunshine, exploration, learning and lots of smiles, it was a memorable day for everyone. Well done, Year 3, for being such enthusiastic learners and excellent representatives of our school!

Order your Celebration Evening tokens [here!](#)

### Volunteer Call-out

Unfortunately, we only have a few people who have stepped forward to volunteer at our wonderful summer celebration evening. Without your help, we will have to close down the bottle tombola, hairspray stall and inflatables. Please put yourself down for just 30 minutes to make sure we can give the children an excellent summer fair and ensure all stalls remain open.

-  Just 30 minutes!
-  Free raffle token!

Free drink!

😊 A chance to support our school community!

If you can help, please sign up as soon as possible. Together, we can make this year's Summer Celebration Evening our best one yet!

**Thursday 2nd July**
